

**For immediate release**

**10 August 2011**

**Namibian Resources Plc**  
**(“Namibian” or “the Company”)**

**Suspension of mining operations Sonnberg**

We regret to announce that due to accidents which have occurred at Namdeb Diamond Corporation (Pty) Limited (“Namdeb”) own mining operations we have today been informed that all contractor mining operations, including our own, have been suspended immediately.

We have no knowledge as to when this suspension will be lifted but we will make a further announcement in due course. We emphasise that we have not had any major incidents or accidents during our mining activities at Pomona during the period of our contract.

A C A Carlton  
C.E.O

*Background note: Namibian Resources Plc have a contract to mine on behalf of Namdeb through its wholly owned subsidiary Sonnberg Diamonds.*
